**Come be a part of our growing team and learn a new career!**

Looking for a new career? Redhammer Roof Group is hiring apprentices, laborers, and experienced roofers. You will be a vital part of our service department. This is a full-time position and has lots of potential for growth within the company.

#### **The ideal candidate will be:**

- Self-starter and ability to manage time efficiently
- Committed to excellent customer service
- Someone who can “roll up their sleeves” and get the job done.
- Team player with the ability to relate well to others
- Detail-oriented

#### **Basic Responsibilities**

- Repair and maintenance installations
- Maintain tools and equipment
- Customer relations
- Support lead roof technicians

#### **Typical Workday**

- Meet with lead technicians to get details of day
- Load truck and support lead technician
- Plan and prepare for tomorrow

**Roofing Experience *Preferred* but NOT Required.**

**We install and service most types of roofing including:**

- Asphalt shingle
- Wood shake and shingle
- Tile
- Synthetics
- Slate
- EPDM
- TPO
- Built up
- Torch down
- Coatings'
